Krishnamurti Foundation Trust Ltd is the legal entity and is the "data controller". There are four departments in the Trust and we have put in place structures in each department to upload the data subject's rights. Only information related to ancillary functions is shared between departments. This policy is for the Foundation department (Foundation).

This policy is reviewed annually and recognises that in May 2018 the new EU General Data Protection Regulations (GDPR) And Data Protection Act 2018 came into effect. Although the principles of the new legislation remain broadly the same as current arrangements, the importance of how organisations manage data protection is emphasised and recognised by the Foundation.

### WHAT THIS PRIVACY NOTICE IS FOR

This policy is intended to provide information about how the Foundation will use (or "process") personal data about individuals including its volunteers, publishers, agents, Information Centres and International Committees.

This information is provided because Data Protection Law gives individuals rights to understand how their data is used. Staff and volunteers are all encouraged to read this policy and understand the Foundation's obligations to its community.

Anyone who works for, or acts on behalf of, the Foundation (including staff, volunteers, governors and service providers) should also be aware of and comply with the Data Protection policy for staff, which can be found in the Staff Handbook, the section on confidentiality and disclosure of information.

### RESPONSIBILITY FOR DATA PROTECTION

The Foundation has appointed the Bursar as the lead for Data Protection. In conjunction with the Directors, they will endeavour to ensure that all personal data is processed in compliance with this policy and the Acts.
